My name is René Delyn with René Delyn Hair Studio, and I'm writing to express my support for the pedestrian safety ordinance.

Our salon serves many clients from across Dover, including a large number of older guests who drive to their appointments. They should be able to travel to and from the salon without feeling anxious or unsafe at intersections where pedestrians stand in the medians so close to moving cars. These situations are dangerous for drivers and for the individuals in the roadway, and we should not wait for a serious injury before taking action.

My clients — especially seniors — deserve to come into town confidently and safely. They are often nervous when traffic is unpredictable, and the current conditions in the medians only add to that concern.

We all want Dover to be a safe and welcoming community. Reducing these dangerous situations protects everyone — customers, families, and the pedestrians themselves.

I strongly encourage you to support this ordinance.

Thank you,
René Delyn Costleigh
